JUSTICE IN AN UNJUST WORLD

"God commands Justice and fair dealing..." {16:91}

ISLAM IS MERCY

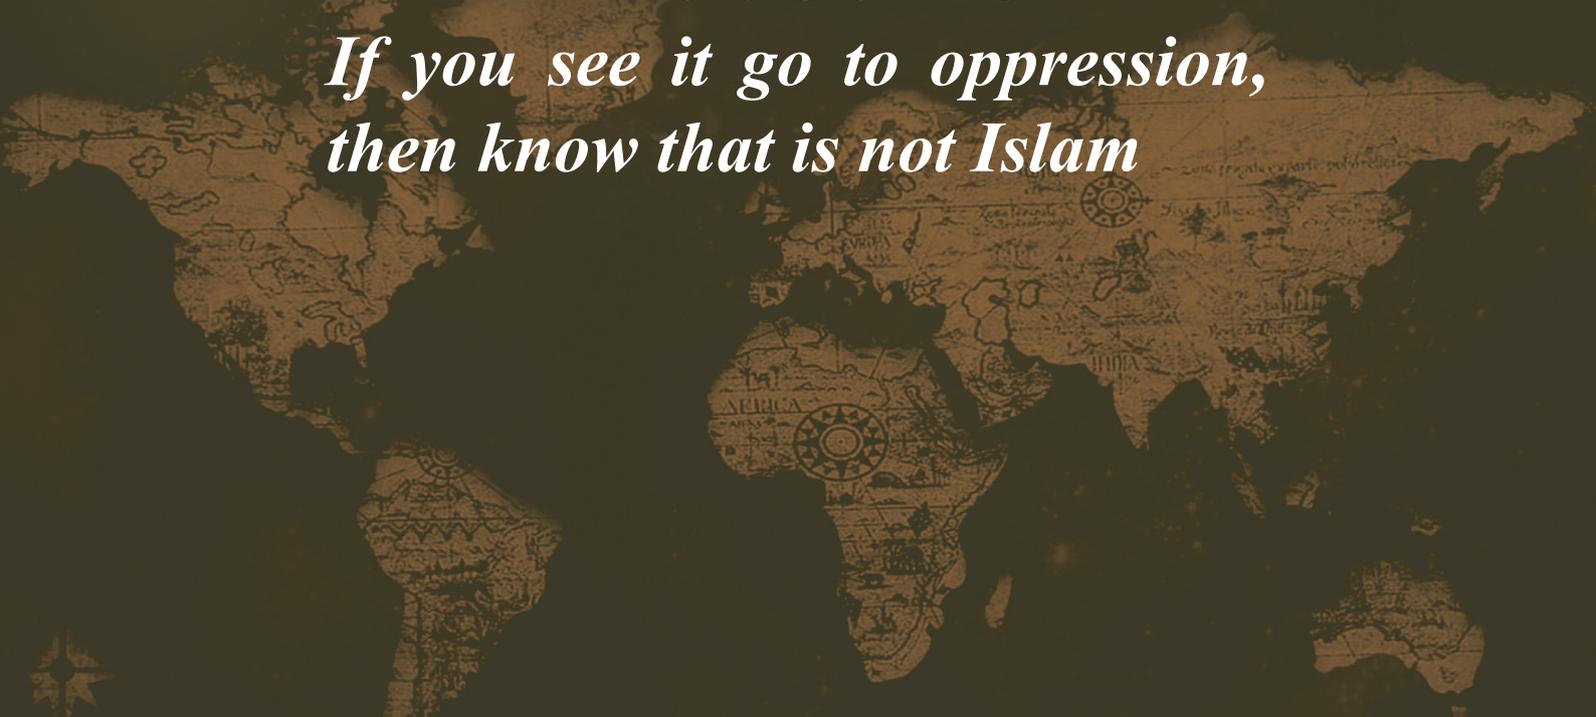

*If you see its opposite, cruelty,
then know that is not Islam*

ISLAM IS WISDOM

*If you see it going to foolishness
and stupidity, then know that is
not Islam*

ISLAM IS JUSTICE

*If you see it go to oppression,
then know that is not Islam*

الْقُرْآنُ الْمَكْرَمُ

يَا أَيُّهَا الَّذِينَ آمَنُوا كُونُوا قَوَّامِينَ بِالْقِسْطِ شُهَدَاءَ لِلَّهِ وَلَوْ عَلَىٰ أَنفُسِكُمْ أَوِ الْوَالِدِينَ وَالْأَقْرَبِينَ
إِن يَكُنْ غَنِيًّا أَوْ فَقِيرًا فَاللَّهُ أَوْلَىٰ بِهِمَا فَلَا تَتَّبِعُوا الْهَوَىٰ أَن تَعْدِلُوا وَإِن تَلَوَّا أَوْ تَعْرَضُوا فَإِنَّ
اللَّهَ كَانَ بِمَا تَعْمَلُونَ خَبِيرًا ﴿١٣٦﴾

***O** ye who believe! [a]be strict in observing justice, and be witnesses for Allah, even though it be against yourselves or against parents and kindred. Whether he be rich or poor, Allah is more regardful of them both than you are. Therefore follow not low desires so that you may be able to act equitably. And if you conceal the truth or evade it, then remember that Allah is well aware of what you do. {4:136}*

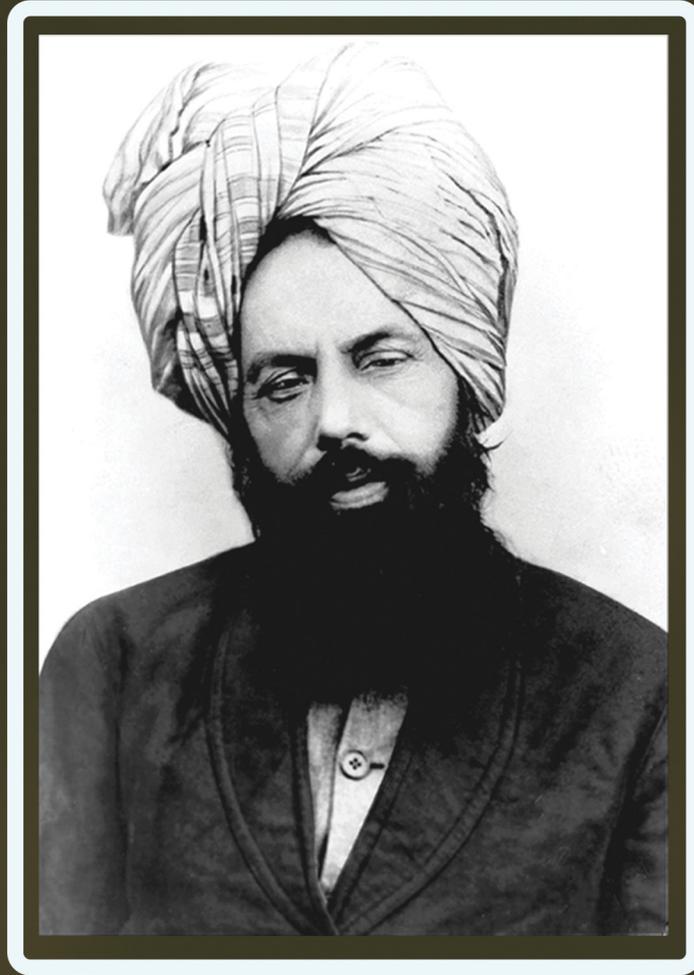

Sayings of the Holy Prophet (SAW)

The Holy Prophet (SAW) said: If anyone seeks the office of judge among Muslims till he gets it and his justice prevails over his tyranny, he will go to Paradise; but the man whose tyranny prevails over his justice will go to Hell.

{Sunan Abi Dawud 3575}

Hazrat Mirza Ghulam Ahmad Qadiani عليه السلام

The Promised Messiah

His community of believers began worshipping God through the stillness of the night and serving humanity during the day. Where arrogance, injustice and misconduct were rife, a “new creation” was forged by Allah the Almighty that adopted humility, absolute justice and compassion for mankind. Hazrat Mirza Ghulam Ahmad ^{as} was not only the Messiah for the misguided Muslims, rather he was there for all of humanity, those present and those who were to come.

Hazrat Mirza Masroor Ahmad said:

“You should read my book ‘Marital issues and their solutions’. Take out extracts from it and distribute it within homes. Other than that, there is a great need for patience and forbearance. Men and women both lack patience. Small matters become inflated and are taken to extremes... Men should show kindness and softness and women should show patience too. For this, the Tarbiyyat department should make and run programmes so that both men and women are all morally trained...If your Secretary Tarbiyyat is active then less issues will arise and they will be better resolved.”

Khalifatul Masih V

“If we truly want peace in our time then we must act with justice. We must value equality and fairness. As the Prophet of Islam (peace be upon him) so beautifully stated, we must love for others, what we love for ourselves. We must pursue the rights of others with the same zeal and determination that we pursue our own rights. We should broaden our horizons and look at what is right for the world, rather than what is only right for us. These are the means for peace in our age.”

ABOUT

The Friday Sermon

Truth and Justice

After reciting the Tashahhud, Ta'wwuz, and sura Al-Fatihah, Hazrat Ameerul Mu'mineen Khalifatul Masih V (aba) recited the following verses from the Holy Qur'an: "O ye who believe! be strict in observing justice, and be witnesses for Allah, even though it be against yourselves or against parents and kindred. Whether he be rich or poor, Allah is more regardful of them both than you are. Therefore, follow not low desires so that you may be able to act equitably. And if you conceal the truth or evade it, then remember that Allah is well aware of what you do." (4:136)

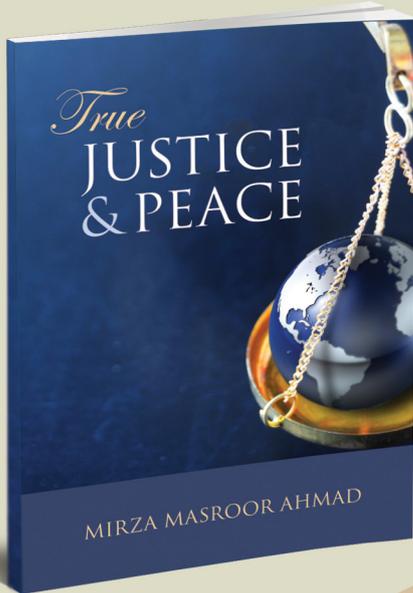

Even if one believes he has been mistreated, then now, after the matter has been resolved and concluded, separate yourselves from those who have transgressed. Leave the matter with God Almighty Who is Well-Aware of all matters. It is to the fortune of a believer that he can leave a matter with God Almighty. Having established justice, equity and truthfulness in our society, God Almighty has also commanded the believers that leaving aside their personal, social and national affairs, it is their duty to establish a higher level of justice and equity by enjoining a high level fairness and impartiality with other countries as well. If you fail to uphold this standard of justice even with the enemies, then it will be understood that you do not tread the path of righteousness. Hence, the translation of verse 9 of Surah Al Ma'idah which I have recited is as follows, **'O ye who believe! be steadfast in the cause of Allah, bearing witness in equity; and let not a people's enmity incite you to act otherwise than with justice. Be always just, that is nearer to righteousness. And fear Allah. Surely, Allah is aware of what you do.'**

True JUSTICE & Peace

**By Hazrat Mirza Masroor Ahmad
Khalifatul Masih V^(aba)**

The root cause of the unrest in the world today is due to a lack of justice found at every level of society. Only by recognizing its Creator, can mankind hope to establish true justice and usher in an era of individual, communal, and global peace.

This brief treatise is a transcript of the concluding address by Hazrat Mirza Masoor Ahmad^(aba), Fifth Successor the Promised Messiah(as) and Worldwide Head of the Ahmadiyya Muslim Community, at the Annual Convention of the Ahmadiyya Muslim Community UK held on August 23, 2015.
