Terrorist attack on Sikh Gurudwara in Kabul is condemnable

Ahmadiyya Muslim Jama'at India stands with the Sikh Community in this hour of distress and expresses complete solidarity.

The Ahmadiyya Muslim Jama'at India strongly condemns the terror attack that happened few days back on the Gurudwara at Kabul. Ahmadiyya Muslim Jama'at India expresses dismay at the incident and express solidarity with the Sikh community in this hour of distress.

According to Islamic teachings whosoever kills an innocent person it shall be as if he has killed all mankind. Islam does not allow any act of violence, but Islam is a religion of peace and love. Attacking any religious places and killing worshippers is an un-Islamic act. The destructive elements who commit such brutal attacks in the name of Islam actually try to discredit Islam and harm the global peace.

The Ahmadiyya Muslim Jama'at India expresses its heartfelt condolences to the victims of this incident and prays for them.
