**The National Amila of Majlis Khuddamul Ahmadiyya have official meeting with His Holiness**

On 7 February 2021, *the World Head of the Ahmadiyya Muslim Community, the Fifth Khalifa (Caliph)*, His Holiness Hazrat Mirza Masroor Ahmad held a virtual online meeting with the National Amila (Executive) of Majlis Khuddamul Ahmadiyya Bangladesh (Ahmadiyya Muslim Youth Auxiliary).

His Holiness presided the meeting from his office in Islamabad, Tilford, whilst the Amila representatives joined from the *Darut Tabligh* Mosque complex in Dhaka, which serves as the *National Headquarters* of the Ahmadiyya Muslim Community in Bangladesh.

During the meeting, the Khuddam representatives were able to present a report of their respective departmental activities and proposed future plans.

His Holiness gave instructions regarding the moral and religious training of Ahmadi Muslim youth and ensuring that Majlis Khuddamul Ahmadiyya continually progressed.

His Holiness encouraged the heads of national departments to diligently provide regular feedback to the reports that are received from regional and local chapters of Majlis Khuddamul Ahmadiyya Bangladesh to analyse their activities and help them improve.

His Holiness also instructed Ahmadi Muslim youth to increase their service to humanity and, reflecting Islam's teachings, should proactively seek to help and assist people in need, irrespective of caste, creed or colour.

His Holiness further stated that the Majlis Khuddamul Ahmadiyya administration should engage with hospitals and other relevant agencies to register Ahmadi Muslim youth as blood donors so they can be of assistance to the people of the country at times of need.

Hazrat Mirza Masroor Ahmad said:

***“Our Ahmadi Muslim youth should donate blood not only to help our own members but it should be donated to other members of society and you should work with hospitals and blood banks to register our members for this service to humanity. The people should know that Ahmadi Muslims are those who serve all of humanity.”***

His Holiness also said that a greater number of young people should be encouraged to do physical activities and exercise in order to maintain good physical health.

Speaking to the head of the *Students Affairs* department, His Holiness said that the Student Affairs department should organise University seminars where both Ahmadi Muslims and others are invited to present new research on secular topics so that innovative ideas can be shared whilst putting aside religious differences.

His Holiness also appreciated that during the Covid-19 pandemic the Ahmadi Muslim youth had reached out to hospitals and volunteered to help keep them clean.
